

# AristotleK12 Named a Finalist for the EDTECH Awards 2023

ONALASKA, WISCONSIN, UNITED STATES, March 30, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- Sergeant Laboratories, creator of AristotleK12 (formerly known as AristotleInsight::K12), has announced AristotleK12 was named a finalist for The EdTech Awards 2023. Finalists for The EdTech Awards 2023 have been announced to a worldwide audience of educators, technologists, students, parents, and policymakers interested in building a better future for learners and leaders in the education and workforce sectors.

Celebrating its 13th year, the US-based program is the world's largest recognition program for education technology, recognizing the biggest names in edtech – and those who soon will be.

AristotleK12 is now officially amongst edtech's best and brightest, being recognized in two Cool Tool categories

- Emerging EdTech solution and Product or Service (General). The annual program shines a spotlight on cool tools, inspiring leaders and innovative trendsetters across the K-12, Higher Education, and Skills and Workforce sectors.

AristotleK12 was narrowed down from the larger field and judged based on various criteria, including: pedagogical workability, efficacy and results, support, clarity, value and potential.

Editor-in-Chief of EdTech Digest Victor Rivero said, "To the innovators, leaders, and trendsetters
