

AristotleK12 Named a Finalist for the EdTech Awards

AristotleK12 identified as one of edtech's best and brightest innovators.

ONALASKA, WISCONSIN, UNITED STATES, April 4, 2024

/EINPresswire.com/ -- [AristotleK12](#) was announced as a finalist in three separate categories for The [EdTech Awards 2024](#) to a worldwide audience of educators, technologists, students, parents, and policymakers interested in building a better future for learners and leaders in the education and workforce sectors.

Celebrating its 14th year, the US-based program is the world's largest recognition program for education technology, recognizing the biggest names in edtech.

Featuring edtech's best and brightest, the annual program shines a spotlight on cool tools, inspiring leaders and innovative trendsetters across the K-12, Higher Education, and Skills and Workforce sectors.

AristotleK12 was named a finalist in three separate categories: Cool Tool Award- Student Data Privacy, Cool Tool Award- Product or Service Setting a Trend, and Cool Tool Award- Product or Service. AristotleK12 was narrowed from the larger nomination field and judged based on various criteria, including pedagogical workability, efficacy and results, support, clarity, value and potential.
